The Defending Everly Mountain Mercenaries (DEMM) are a highly trained and experienced mercenary force that specializes in defending mountain strongholds. They are known for their unwavering loyalty, their exceptional combat skills, and their ability to adapt to any situation.

In this guide, we will provide you with everything you need to know about the DEMM, including their history, their tactics, and their equipment. We will also provide you with tips on how to defeat them in battle.

History

The DEMM was founded in the year 2042 by a group of former elite soldiers who had served in the Global War. After the war, they decided to use their skills to help those who were in need of protection. They quickly

gained a reputation for being one of the most reliable and effective mercenary forces in the world.

In 2045, the DEMM was hired to defend Everly Mountain, a strategic stronghold that was under attack by a coalition of rebel forces. The DEMM successfully defended the mountain, and their reputation was further enhanced. Since then, they have been hired to defend a variety of other targets, including corporate headquarters, government buildings, and private residences.

Tactics

The DEMM are masters of defensive warfare. They use a variety of tactics to protect their clients, including:

- **Fortified positions:** The DEMM often use fortified positions to defend their clients. These positions are typically located on high ground and are well-protected from attack.
- **Ambushes:** The DEMM are also skilled at ambushes. They often use their knowledge of the terrain to set up ambushes that can devastate their enemies.
- **Counterattacks:** The DEMM are not afraid to counterattack if they are attacked. They often use their superior firepower and training to defeat their enemies in close combat.

Equipment

The DEMM are equipped with a variety of weapons and equipment, including:

- **Assault rifles:** The DEMM's primary weapon is the assault rifle. They use a variety of assault rifles, including the M4 Carbine, the AK-47, and the FN SCAR.
- **Sniper rifles:** The DEMM also use sniper rifles to provide long-range support. They use a variety of sniper rifles, including the M24 SWS, the L96A1, and the CheyTac M200.
- **Machine guns:** The DEMM use machine guns to provide火力支援. They use a variety of machine guns, including the M249 SAW, the PKM, and the M2 Browning.
- **Grenades:** The DEMM use grenades to clear rooms and to attack enemy positions. They use a variety of grenades, including the M67 fragmentation grenade, the M84 stun grenade, and the M406 smoke grenade.

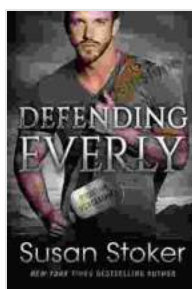

Tips for Defeating the DEMM

The DEMM are a formidable enemy, but they can be defeated. Here are a few tips:

- **Avoid their fortified positions:** The DEMM are well-protected in their fortified positions. Avoid attacking them head-on. Instead, try to flank them or attack them from behind.
- **Be aware of their ambushes:** The DEMM are skilled at ambushes. Be aware of your surroundings and be prepared to react quickly to any threat.
- **Use cover and concealment:** The DEMM are skilled marksmen. Use cover and concealment to avoid getting shot.

- **Coordinate your attacks:** The DEMM are a well-coordinated force. Coordinate your attacks with your teammates to overwhelm them.

The DEMM are a highly trained and experienced mercenary force that specializes in defending mountain strongholds. They are a formidable enemy, but they can be defeated with the right tactics and equipment. By following the tips in this guide, you can increase your chances of defeating the DEMM and completing your mission.
