Kosciuszko Alpine National Park

Encompassing the majestic Snowy Mountains, Kosciuszko Alpine National Park is Australia's highest and largest national park. Dominated by soaring peaks, pristine lakes, and vast alpine meadows, this park offers a diverse range of experiences for visitors.

Iconic Mount Kosciuszko

Towering at an impressive 2,228 meters (7,310 feet), Mount Kosciuszko is the highest mountain in mainland Australia. Whether you choose to challenge yourself with a hike to its summit, marvel at its grandeur from afar, or simply soak in the scenic beauty surrounding it, this iconic landmark is an unforgettable sight.

Scenic Thredbo Valley

The idyllic Thredbo Valley, a haven for outdoor enthusiasts

Nestled amidst the rugged Snowy Mountains, Thredbo Valley is a picturesque haven for outdoor enthusiasts. With its crystal-clear streams, lush meadows, and towering peaks, the valley offers countless opportunities for hiking, fishing, camping, and mountain biking. Don't miss the breathtaking drive along the Thredbo Valley Track, showcasing the region's stunning scenery.

Lakes of Kosciuszko Alpine National Park

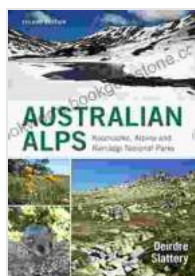

Kosciuszko Alpine National Park boasts an array of pristine lakes, each offering its own unique charm. Lake Jindabyne, the largest lake in the park, provides ample opportunities for water sports, fishing, and lakeside camping. Venture to the glacial Blue Lake, renowned for its vivid turquoise waters, or discover the hidden beauty of the smaller Lake Cootapatamba and Lake Albina.

Namadgi National Park

Located just a short drive from Canberra, the capital of Australia, Namadgi National Park is a vast and rugged wilderness spanning over 1,061 square kilometers (410 square miles). As one of the largest national parks in the Australian Capital Territory, it offers a sanctuary for a rich diversity of flora and fauna.
