## The Author

Jean Hugard was born in 1884 in England. He began his career as a professional magician at the age of 18, and quickly became one of the most popular entertainers in the world. He toured Europe and the United States, and performed for royalty and celebrities. In addition to his

performing career, Hugard was also a prolific author, and wrote over 100 books on magic.

## **The Book**

The Complete Course in Modern Magic was first published in 1938. It has since been revised and updated several times, and is now considered to be one of the most authoritative works on magic ever written. The book is divided into three parts:

- **Part I: The Fundamentals**

This part of the book covers the basic principles of magic, including sleight of hand, misdirection, and psychology. Hugard also provides instructions for a number of simple tricks that can be performed with everyday objects.

- **Part II: The Advanced Techniques**

This part of the book covers more advanced techniques, such as card tricks, coin tricks, and rope tricks. Hugard also provides instructions for a number of stage illusions that can be performed with the help of props.

- **Part III: The Complete Show**

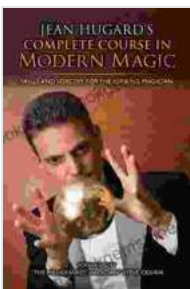

This part of the book provides instructions for putting together a complete magic show. Hugard covers everything from selecting the right tricks to marketing your show. He also provides advice on how to deal with hecklers and other challenges that you may encounter while performing.

## **The Legacy**

The Complete Course in Modern Magic has had a profound impact on the art of magic. It has been used by countless magicians to learn the basics of the craft, and it continues to be a valuable resource for both aspiring and experienced magicians. Hugard's book is a testament to his knowledge and passion for magic, and it is a must-have for anyone who wants to learn how to perform this amazing art form.
