If you are interested in learning Hindi, there are many resources available to help you get started. You can take classes, use online resources, or hire a tutor. No matter how you choose to learn, there are a few things that you will need to know in order to get started.

The Hindi Alphabet

The Hindi alphabet is called the Devanagari alphabet. It consists of 48 characters, which include 33 consonants and 15 vowels.

The consonants are divided into five groups: guttural, palatal, retroflex, dental, and labial. The vowels are divided into two groups: short vowels

and long vowels.

Here is a table of the Hindi alphabet:

Character	Name	Pronunciation
