Op Center 04: Into the Fire is the fourth installment in Tom Clancy's popular Op Center series. The novel follows the Op Center team as they confront a series of escalating crises that threaten to push the world to the brink of nuclear war.

The story begins with a terrorist attack on a U.S. naval base in Japan. The attack is quickly followed by a series of other attacks around the world, including a cyberattack on the U.S. power grid. As the Op Center team investigates the attacks, they discover that they are all part of a coordinated plan to trigger a nuclear war between the United States and Russia.

With time running out, the Op Center team must race against the clock to stop the terrorists and prevent a global catastrophe. Along the way, they will face dangerous enemies, deadly traps, and impossible choices.

Op Center 04 is a thrilling and action-packed novel that will keep readers on the edge of their seats from beginning to end. Clancy's trademark realism and attention to detail make the story feel all too real, and the stakes are higher than ever before.
