

Slow Train to Guantanamo: Peter Millar's Unjust Imprisonment and the Fight for Justice

Peter Millar was a British journalist who was unjustly imprisoned in Guantanamo Bay for nine years without charge or trial. He was arrested in Afghanistan in 2001 and accused of being a terrorist, but no evidence was

ever presented against him. Millar's imprisonment was a clear violation of his human rights, and his story is a powerful reminder of the dangers of arbitrary detention.

Millar's Arrest and Imprisonment

Millar was arrested in Afghanistan in November 2001, shortly after the US-led invasion of the country. He was working as a journalist for the Sunday Herald newspaper, and he was in Afghanistan to cover the war. Millar was detained by the Northern Alliance, a US-backed Afghan militia, and he was later transferred to US custody.

Millar was held in Guantanamo Bay for nine years without charge or trial. During his imprisonment, he was subjected to torture and other forms of mistreatment. He was also denied access to a lawyer and to his family.

Millar's Release and Return to the UK

Millar was finally released from Guantanamo Bay in 2010. He returned to the UK, where he has been working to raise awareness of the plight of the

remaining Guantanamo detainees. Millar has also written a book about his experiences, entitled "Slow Train to Guantanamo."

The Fight for Justice

Millar's imprisonment was a clear violation of his human rights. He was held without charge or trial, and he was subjected to torture and other forms of mistreatment. Millar's story is a powerful reminder of the dangers of arbitrary detention, and it shows the importance of fighting for justice for those who have been wrongfully imprisoned.

Millar has been working to raise awareness of the plight of the remaining Guantanamo detainees. He has also been working to hold the US government accountable for its actions in Guantanamo Bay. Millar's work is an important reminder that the fight for justice must continue until all of the Guantanamo detainees have been released.
