## John Lennon

John Lennon was the most successful Beatle solo artist. His 1971 album *Imagine* is one of the best-selling albums of all time, and it contains some of his most iconic songs, including "Imagine," "Jealous Guy," and "Give Peace a Chance."

Lennon also released a number of other successful albums during the 70s, including *Plastic Ono Band* (1970), *Mind Games* (1973), and *Walls and*

*Bridges* (1974). He also collaborated with his wife, Yoko Ono, on a number of albums, including *Two Virgins* (1968) and *Double Fantasy* (1980).

Lennon was assassinated in 1980, but his music continues to be popular today. He is considered one of the most influential musicians of all time.

## **Paul McCartney**

Paul McCartney was another successful Beatle solo artist. His 1970 album *McCartney* was a commercial and critical success, and it contains some of his most popular songs, including "Maybe I'm Amazed," "Every Night," and "Junk."

McCartney also released a number of other successful albums during the 70s, including *Ram* (1971), *Band on the Run* (1973), and *Venus and Mars* (1975). He also collaborated with his wife, Linda McCartney, on a number of albums, including *Ram* and *Wild Life* (1971).

McCartney continues to be a successful musician today. He has released a number of albums and toured extensively over the years.

## **George Harrison**

George Harrison was the quietest Beatle, but he was also a talented musician. His 1970 album *All Things Must Pass* is a classic, and it contains some of his best songs, including "My Sweet Lord," "What Is Life," and "Isn't It a Pity."

Harrison also released a number of other successful albums during the 70s, including *Living in the Material World* (1973), *Dark Horse* (1974), and *Extra Texture (Read All About It)* (1975).

Harrison died of cancer in 2001, but his music continues to be popular today. He is considered one of the most underrated musicians of all time.

## Ringo Starr

Ringo Starr was the drummer for the Beatles, but he also released a number of solo albums during the 70s. His most successful album was *Ringo* (1973), which contained the hit singles "Photograph" and "You're Sixteen." Starr also released a number of other albums during the 70s, including *Goodnight Vienna* (1974), *Ringo's Rotogravure* (1976), and *Bad Boy* (1977).

Starr continues to be a successful musician today. He has released a number of albums and toured extensively over the years.

The Beatles were one of the most successful bands of all time, but their solo careers were also very successful. John Lennon, Paul McCartney, George Harrison, and Ringo Starr all released a number of classic albums during the 70s. Their music continues to be popular today, and they are all considered to be among the most influential musicians of all time.
