The game is set in a dark and oppressive cyberpunk world, where technology has become a tool for the powerful to control and exploit the masses. You play as a hacker who has been framed for a crime he didn't commit. As you try to clear your name, you will uncover a sinister conspiracy that threatens to destroy the world.

Submit Sir Cyberpunk Nightmare is a masterfully crafted horror game that will stay with you long after you finish playing. The game's visuals are stunning, with a unique blend of cyberpunk and horror aesthetics. The

atmosphere is oppressive and unsettling, and the action is heart-pounding. The game's story is also well-written and engaging, with a cast of characters that you will care about.

If you are a fan of horror games, then you need to check out Submit Sir Cyberpunk Nightmare. This game is a must-play for any fan of the genre.
