The expansion also adds a new game board, which represents the Hunters' home territory. The game board is divided into a number of regions, each of which has its own unique terrain and resources. The Hunters can use these regions to build their settlements and train their troops.

The Emperor Companion: The Hunter Imperium 13 is a great expansion for The Emperor. It adds a new faction to the game, which gives players a new way to experience the game. The expansion also adds a new game board, which gives players a new challenge to conquer.

Factions

The Emperor Companion: The Hunter Imperium 13 adds a new faction to the game, the Hunters. The Hunters are a nomadic people who have been

living outside the Imperium for centuries. They are skilled hunters and warriors, and they have a reputation for being fierce and unforgiving.

The Hunters have a number of unique abilities that set them apart from the other factions in the game. First, the Hunters can move through forests and mountains without penalty. This gives them a major advantage in combat, as they can easily outmaneuver their opponents. Second, the Hunters can train their troops to be skirmishers. Skirmisher units can attack from a distance, which makes them very effective against enemy infantry.

The Hunters also have a number of unique units that they can recruit. These units include the Hunter-Warrior, the Hunter-Archer, and the Hunter-Cavalry. The Hunter-Warrior is a powerful melee unit that can deal devastating damage to enemy infantry. The Hunter-Archer is a ranged unit that can attack from a distance. The Hunter-Cavalry is a fast and maneuverable unit that can be used to harass enemy forces.

The Hunters are a powerful and versatile faction that can be used to great effect in The Emperor. Their unique abilities and units make them a formidable opponent for any other faction in the game.

Board

The Emperor Companion: The Hunter Imperium 13 adds a new game board to the game. The game board represents the Hunters' home territory. The game board is divided into a number of regions, each of which has its own unique terrain and resources. The Hunters can use these regions to build their settlements and train their troops.

The new game board is a great addition to The Emperor. It gives players a new challenge to conquer, and it also provides a new setting for the game. The new game board is also very well-designed, and it is sure to please fans of the game.

Gameplay

The Emperor Companion: The Hunter Imperium 13 does not change the basic gameplay of The Emperor. However, the expansion does add a few new rules that are specific to the Hunters. These rules are designed to reflect the Hunters' unique culture and way of life.

One of the most important new rules is the Hunting Rule. The Hunting Rule allows the Hunters to hunt for food and resources in the regions that they control. This is a very important rule, as it gives the Hunters a way to sustain themselves without having to rely on trade.

Another important new rule is the Raiding Rule. The Raiding Rule allows the Hunters to raid the regions that are controlled by other factions. This is a very risky rule, but it can be very rewarding if it is successful. If the Hunters are successful in a raid, they can capture resources and prisoners.

The Hunter Imperium 13 expansion also adds a number of new events to the game. These events are designed to reflect the Hunters' unique culture and way of life. For example, one of the new events is the Great Hunt. The Great Hunt is a special event that allows the Hunters to hunt for a legendary beast. If the Hunters are successful in killing the beast, they will be rewarded with a powerful artifact.

The Hunter Imperium 13 expansion is a great addition to The Emperor. It adds a new faction, a new game board, and a number of new rules to the game. The expansion is also very well-designed, and it is sure to please fans of the game.

The Emperor Companion: The Hunter Imperium 13 is a great expansion for The Emperor. It adds a new faction,
