## History

Variable Star Tor was founded in 1974 by a group of science fiction fans who wanted to create a convention that was both educational and entertaining. The first convention was held in Berkeley, California, and attracted over 1,000 attendees. The convention has been held in various locations in the San Francisco Bay Area over the years, and it currently takes place at the Hyatt Regency Santa Clara. Variable Star Tor has grown

significantly over the years, and it now attracts over 5,000 attendees annually.

## Programming

Variable Star Tor offers a diverse range of programming, including:

- Panels: Panels are discussions on a wide range of science fiction and fantasy topics. They typically feature authors, editors, and other

experts in the field.

- Workshops: Workshops are hands-on sessions that teach attendees about different aspects of science fiction and fantasy writing, art, and filmmaking.
- Screenings: Variable Star Tor screens a variety of science fiction and fantasy films and television shows.
- Exhibitions: Variable Star Tor hosts a variety of exhibitions, including art shows, book signings, and vendor booths.
